## Ali McGreggor's Late-Nite Variety-Nite Night

*Top Hats, Corsets, Circus, Song*

**Ali McGreggor's Late-Nite Variety Nite Night** takes you into the amazing world of vaudeville skits and fancy tricks. It's late, the bar is open and the scene is set for old school vaudeville and modern cabaret to collide.

**La Clique** and **Opera Burlesque** star Ali McGreggor takes the time honoured tradition of Variety Chairman to guide you through an evening of the festival's finest stand-up comedians, burlesque dancers, street performers, musicians and acrobats. She will be waited upon by her house butler Treleaven (sideshow comedian Asher T), inspired by the burlesque of Imogen Kelly and musically supported by 'The House Bandits'.

These shows follow on from a successful season at The Melbourne International Comedy festival that included guests **Tim Minchin, Danny Bhoy, Adam Hills, Rhod Gilbert, Supergirly, Eddie Perfect, The English Gentlemen, Sammy J, Geraldine Quinn** and **The Black Sea Gentlemen's Mikelangelo**.

*'For anyone eager to check out a broad and rangy selection of the Comedy Festival's top cabaret, vaudeville and stand-up acts, this late-night variety special is the best-value show in town'* THE MELBOURNE AGE
