

PRESS RELEASE

**Jesse Griffin, from The 4 Noels, in 'The Wilson Dixon Hour'
Smirnoff Baby Belly 3
3rd – 27th August
Produced by Little Red Delicious (www.littlereddelicious.co.uk)**

A new Country 'n' Western legend has arrived. The brilliantly oddball Wilson Dixon takes country music in an entirely new direction - possibly the wrong direction, but a direction nonetheless.

Wilson sings hilarious, original songs about his life, his loves, the land and his oddball family. Armed with his guitar and a unique view of the world – born from isolation and home schooling - he imparts an unconventional wisdom wherever he goes.

A rangy cowboy philosopher hailing from Cripple Creek, Colorado, he is laconic, wise and magnetic with genuine dirt on his boots. Wilson, with a glacially laid back delivery, brings us a unique view of the world we know and a surreal view of a world we probably don't.

Over the last 18 months, **Wilson Dixon** has enjoyed a rapid rise to fame performing at Comedy Festivals in Australia, New Zealand and at special appearances in the UK including The Comedy Store, London. He is the creation of award winning comedian, feature film and television actor, writer and member of The 4 Noels, Jesse Griffin. **The 4 Noels** will be performing their Gothic Horror spoof **Doom Riders** at The Assembly Rooms.

"ingeniously funny" *Mail, NZ*

"the absolute genius alter-ego of Jesse Griffin... hilariously fresh and very clever" *DB Magazine, AUS*

"...if there's any justice, Wilson Dixon will surely inspire a devout following before long. A cult is born." *Chortle.co.uk*
